

BOARD OF COUNTY COMMISSIONERS

INTER-OFFICE MEMORANDUM

To: Honorable Chairman and Members of the Board of County Commissioners

From: Commissioner Tony Grippa

Date: January 13, 2004

Subject: Report on the Proposed Route for the City of Tallahassee Eastern Transmission Line

Upon a review of the agenda request item regarding the proposed route for the City of Tallahassee Eastern Transmission Line (ETL), my request and recommendation to the Board is to take more formal action on the matter. Specifically, I would propose the following alternatives:

1. Object to the City's siting of the Eastern Transmission Line (ETL), and direct the County Attorney to set a meeting with the City Attorney to discuss options and alternatives; or
2. Object to the City's siting of the ETL via participation in the application proceedings, pursuant to Sections 403.526 and 403.527, Florida Statutes, and direct the County Attorney to formulate strategies related thereto; or
3. Contact the Florida Department of Transportation to object to the renewal of the right of way permit.

Thank you for your consideration.
